The Actius MC22 Notebook, with its high-gloss, pearlesque finish comes equipped with a Mobile AMD Athlon™ XP-M processor 2200+, which features AMD PowerNow!™ technology for extended battery life. Maximizing the benefits of AMD's PowerNow!™ technology, the Actius MC22 has been designed to maximize battery power. Along with its processor muscle, the Actius MC22 comes standard with 256MB DDR-SDRAM (expandable to 768MB). Complete with Microsoft® Windows® XP Home Edition operating system and a 40GB hard drive, the Actius MC22 provides substantial computing power for everyday needs.

Direct HD™ Technology

When connected to another PC using the included USB cable, the Actius MC22 can be used as an external USB hard drive. File transfer between two PCs is as simple as dragging and dropping. With the included SharpSync™ software, you can select files and folders to automatically synchronize whenever the two computers are connected, ensuring that the most recent version of each file is on both machines and that your important files are always backed up.

High speed wireless access with IEEE802.11g

Your wireless connection just got faster. The Actius MC22 takes advantage of the high transfer speeds (up to 54Mbps) available using the IEEE802.11g standard. You can quickly and easily connect to wireless networks in your office, in your home, or on the go.

sharp-fx™ DVD Image Enhancing Feature

Thanks to sharp-fx, Sharp's exclusive LCD optimization feature, DVD movies have never looked better. This add-on feature for WinDVD® automatically adjusts image contrast for optimum clarity. Combined with the Actius MC22's high quality LCD screen, this image enhancing feature brings remarkable DVD entertainment experience.

Extremely Comfortable Computing

The Actius MC22 was designed with ergonomic comfort in mind. The 12.1-inch XGA (1024 x 768) LCD screen is easy on the eyes, providing bright, clear pictures in which even small letters are clearly legible. The notebook also features an ergonomic keyboard, which is curved for comfortable typing.
